Additional lyrics:

After the sun had turned too grey
 Born and died on a rainy day
 If your heart is a stone
 Spent some time on your own
 If you sleep from nine to five
 And you hope to atone

After the sun had lost its way
 Born and died on a rainy day
 If the bridges burn
 And the tables turn
 Before the dice were ever thrown
 And you finally learned

Became aware along the way
 Born and died on a rainy day
 If the sun changed its course
 If your time is short
 If you think that waiting for luck
 May be your final resort

Fate let you fall behind
 Luck left you high and dry
