Am

G

D G D

C D C

how it follows you home and your not quite alone

D C D

if you lean back your head and open up your eyes

Em F D

Every on- ce

Am G D G D

in a while my heart re- minds me how strong it is and

C D C

how much I love you and how much we will go through

D C D

but the sky will follow us home on its own

Em F D

Other verses:

I'm sorry but we're out of time
We're out of synch on the swings again
Time to put my foot down
Connect my shows to the ground
The sky will follow me home
On its own

You borrow the world from your children
Now it's time to give it back
The guard is changed again
The world is changing hands
The sky will follow them home
On its own
