Other verses:

Well no one's gonna stop us
 No one is coming down
 There's no need for attention
 Cause there's no sense being found
 If you can not drink the water
 You can not breath the air
 Things will just keep turning
 Cause this world does not care

Wherever this is going
 Surely this will go
 And if I ever get there
 Maybe I will know
 Tell me what is left
 Its someone you can see
 There's no sense being coy
 Cause there's only you and me

No one's taking names
 And no one is keeping score
 In the blink of an eye
 No one will care anymore
 Regardless how you take
 Regardless how you share
 When you add it all up
 This worlds does not care
