

Something Pointless

Words and Music by
Geoffrey Raines

Bm

I know most lovers fail
there's not much you can do

you will get bored with me
I will get tired of you
Do something pointless and

put this ring on your finger

I live in fear something pointless will help me sleep at night

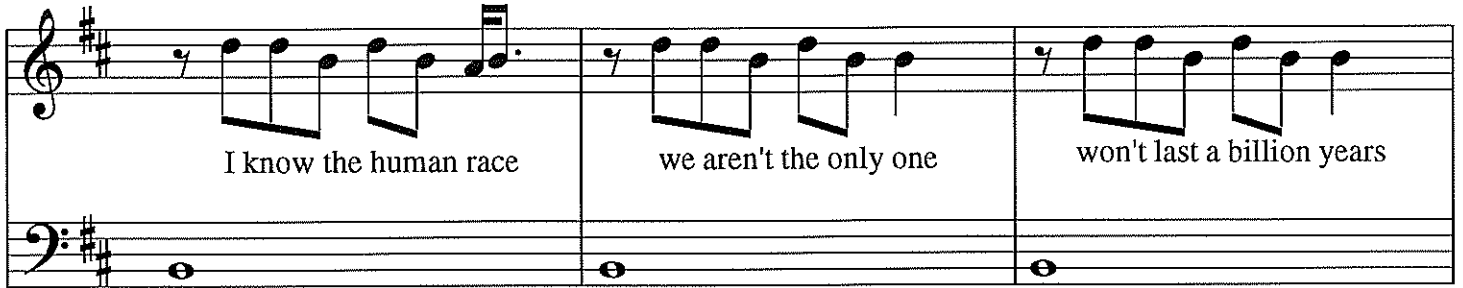

I live in fear something pointless may put things right

(drum solo)

(Empty musical staves)

Bm

I know the human race we aren't the only one won't last a billion years

The first system of musical notation consists of two staves: a treble clef staff and a bass clef staff. The key signature has two sharps (F# and C#). The treble staff contains a melody of eighth and quarter notes, starting with a quarter rest. The bass staff contains a simple bass line of quarter notes, starting with a whole note. The lyrics are placed below the treble staff.

cause we will meet the sun Do something pointless and smile when I say hello

The second system of musical notation continues the melody and bass line from the first system. The treble staff melody includes eighth notes and quarter notes. The bass staff continues with quarter notes. The lyrics are placed below the treble staff.

The third system of musical notation shows the treble staff with whole rests in all three measures. The bass staff continues with a rhythmic pattern of eighth notes and quarter notes, ending with a whole note in the final measure. The system concludes with a double bar line.
