where is the pay back ? If not now when ?

where is the pay back ?

Other verses:

Each day a new choice
 Decisions to be made
 The path not taken
 Dues to be paid
 A young man wonders
 Sees many roads
 Raods to more choices
 Choices to unfold

Too slow to notice
 Notice day by day
 Dreams take a back seat
 Dreams slip away
 A young man wonders
 If it is too late
 A young man wonders
 How long should he wait ?
